## 6. Parents' Commitment

We recognize the vital and important role that parents and the home fulfill in providing a foundation for the success of our child<sup>+</sup>. We understand and share the standards and values that Highroad Academy, under the leadership of City Life Church, seeks to instill and reinforce in our young people's lives. We recognize and support the spiritual atmosphere and tone that the school's administration seeks to maintain. In consideration of this, we commit ourselves and our home in the following ways, with God's help and to the best of our ability.

**Moral Standards:** We are in agreement with the moral standards of Highroad Academy. We believe and are committed to live and model Biblical standards in every area of our family life and home. We do not tolerate profanity, obscenity in word or action, or dishonour to the Godhead, the Word of God, or the staff and leaders of the school and church. We understand the command of scripture to live in moral purity and commit ourselves and our home to being an example of Biblical morality, including godly expressions of sexuality. We acknowledge and agree that the Bible is the final authority on all areas of morality and sexual purity, including an understanding of covenant marriage between a man and a woman as the only acceptable standard for sexual expression. We stand against non-Biblical cultural attitudes that erode sexual purity in our young people.

**School Discipline:** We agree to support the school policies and regulations and authorize the school staff to employ discipline as they deem just, wise and expedient for the training of my child. We understand that the school reserves the right, after parental conference, to dismiss any child who fails to comply with the established regulations and discipline or whose parents do not assume their responsibilities to the school.

**Academic Standards:** We agree to uphold the high academic standard of the school by providing a place at home for our student to study and by encouraging our child in the completion of homework and assignments.

**School Participation:** We understand that our child is expected to take part in school activities, including sports and school sponsored trips away from the school building. We absolve the school from liability to us or our child in the case of any injury to them at supervised school activities.

**Financial Responsibility:** We commit to assume our scriptural and contractual responsibility to financially support the school by paying all tuition and other fees in a timely manner.

**Local Church Commitment:** We understand the scriptural importance of being committed to and functioning in a local church. We understand the value that faithful and consistent church life adds to our family's spiritual development and our ability as parents to train and nurture our child in the ways of the Lord. Our family demonstrates this commitment by weekly attendance at church services, involvement and function in church life, and consistent financial support of our local church.
