

Anti-Bullying Policy

Highroad Academy believes that all students have a right to a safe and healthy school environment.

Bullying is typically a form of repeated, persistent, and aggressive behaviour directed at an individual or individuals that is intended to cause (or should be known to cause) fear and distress and/or harm to another person's body, feelings, self-esteem, or reputation.

Highroad Academy will not tolerate behavior that infringes on the safety of any student. A student shall not intimidate, harass, or bully another student through words or actions. Such behavior includes: direct physical contact, such as hitting or shoving; verbal assaults, such as teasing or name-calling; and social isolation or manipulation.

The school expects students to immediately report incidents of bullying to a Highroad staff member. Each complaint of bullying should be promptly investigated. This policy applies to students on school grounds, while traveling to and from school or a school-sponsored activity, during the lunch period, whether on or off campus, and during a school-sponsored activity.

To ensure bullying does not occur on school campuses, Highroad Academy will provide staff development training (example WITS, LEADS, ERASE) in bullying prevention and cultivate respect in all students to build the school's capacity to maintain a safe and healthy learning environment

Teachers should discuss this policy with their students in age-appropriate ways and should assure them that they need not endure any form of bullying. Students who bully are in violation of the Student Commitment Contract and are subject to disciplinary action up to and including expulsion. (see Highroad Discipline Policy)
